Chief Bigelow Will Need \$946,620 to Run His Department.

A ONE-MILL TAX ASKED FOR PARKS

Light Appropriations Going to the Electric Companies.

PIGURES FOR STREETS AND SEWERS

The following is the report of the Department of Public Works as submitted to the Mayor yesterday by Chief E. M. Bigelow: PITTSBURG, December 31, 1889.

Hon. Wm. McCallin, Major of City of Pittsburg: DEAR SIR-In compliance with section 35, of an ordinance of Councils passed December 14, 1889, entitled an ordinance to carry into effect as act of Assembly entitled, "An act in relation to the government of cities of the second class." I have the honor to report to you the expenditures and receipts of the Department of Public Works for the ten months ending November 30, 1889, with approximate receipts for the menths of December and January. The expenses for the remaining months will absorb the amounts appropriated for the several bu-reaus for the fiscal year 1889.

In the approximate estimates required to properly conduct the department for the year 1890, I have not reduced the appropriation in any bureau, neither have I asked for large in-

any bureau, neither have I asked for large increases, as will be observed by comparing with hast year's appropriation. I would suggest that you ask for park purposes an amount equal to that produced by a one-mill tax, believing that for the first year this sum will be sufficient. There will be required about \$100,000 to be paid on the property, leaving about \$80,000 for surveys and improving the park.

I would also request that you place the amount of \$11,413 20 in the appropriation of the Department of Public Safety, that amount being necessary to light the police, patrol and fire engine houses for the incoming year. Yours respectfully, E. M. Bigellow,

Chief of the Department of Public Works.

SUMMABL OF EATENOOG,		
General office\$	1889. 8,883 12	Estimate for 1890, \$ 10,500
Bureau of Engineering and Surveys	80,215 90	85,500
	194,832 11	213,000
ments	6,335 91 7,628 78	9,670
	192,458 81	269,450
Bureau of Public Light Bureau of City Property Distribution main from	92,964 86 80,159 98	121,000 82,400

Bureau of Highways and Sewers... 206 48 Bureau of Engineering and Surveys. 17,262 00 Bureau of Water Supply and Distri-bution. 5,691 97 lureau of Water Assessments.... 11,864 62 12,673 00 8,275 00 Board of Viewers.... Weigh scales and switch license....

The estimated receipts for 1890 are much larger as water rents to the amount of \$500,000, are included. The estimates are appended: Water rents\$500,000 Wharves and landings 6,000 12,000 3,000

\$602,500 In the report made by Chief Bigelow of the covered, there are some interesting details. In the bureau of highways and sewers, which spent nearly \$200,000, one-half the appropriation, or \$102,632 &1, was spent for labor in repairing and cleaning streets and sewers, while \$55,292 87 went for materials used for a like purpose. Out of the \$192,456 31 spent by the Bureau of Water Supply and Distribution, \$71,848 51 was

used in extension of water pipe made on petition of property owners. The pumping stations got the bulk of what remained in the appropriation. The Bureau of Public Light spent \$92,064 80, of which the East End Electric Light Company got \$70,782 06, and the Pittsburg Gas Company, which once had the big end of this money, received but \$6,002 71.

In the appropriations asked for 1990, the same proportions are maintained. The Bureau of Highways and Avenues wants \$218,000, of which \$125,000 is to pay for labor in repairing and cleaning streets and sewers, and \$45,000 for materials. and cleaning streets and sewers, and \$45,000 for materials.

The Bureau of Water Supply and Distribution wants \$53,000 to extend the big main to Fifth avenue and Craig street; \$15,000 for gates and gate houses at Hilland reservoir: \$55,000 for pipe extension by petition; \$60,500 for ranning the Brilliantworks; \$17,000 for the Bedford works and \$7,500 for the Herron Hill works; \$25,000 for the pay of street hands, and \$5,750 for establishing the new pumping station on Winebuddle Hill.

In the Bureau of City Property wares are not

55, 50 for establishing the new pumping station on Winebuddle Hill.

In the Bureau of City Property wages are naturally the big expenditure. The bureau asks \$3,000 for the Superintendent and clerk, \$3,500 for market employes, \$2,500 for wharf employes, and \$8,000 for Municipal Hall employes. The item of \$666 67 for observatory time is also included in this bureau.

The estimates for the Bureau of Public Light go mainly to the electric companies, the East End company getting \$108,000, the Allegheny County \$7,500, and the Pittsburg \$1,000, out of an estimate of \$121,000.

Street repairing for the coming year is estimated at \$245,500, the items being: Elisworth avenue, \$30,000; Haland avenue, \$2,500; Taylor street, \$6,200; Penn avenue, \$25,000; Seventeenth street, \$6,200; Exchange alley, \$2,600; Evans alley, \$3,500; Exchange alley, \$2,000; Evans alley, \$3,500; Exchange alley, \$2,000; Crandview avenue, \$20,000; Milmot street, wall, \$2,000; Crandview avenue, \$20,000; Wilmot street, wall, \$2,000.

Altogether Chief Bigelow asks for 1890 the sum of \$945,620, as against \$945,722 50, the amount appropriated for 1889.

VIEWS OF THE VIEWERS.

The Doings of the Past Year Placed in Review. In their yearly report to Chief Bigelow, the Board of Viewers show the amount of

work done by them as follows:

They made 88 preliminary views on street openings and 62 final views; 65 preliminary views on sewers and 52 final views; 48 preliminary views on grading, paving and ourbing streets and 15 final views; 8 preliminary views on street vacations and 19 final views; 7 preliminary views on boardwalks, 5 views on damages by grade and 1 special preliminary sewer view, making a total of 370 views, the receipts of which were \$8,116. The receipts of the Board of Viewers' office for the year were \$12,673, but part of this is for preliminary views that were held in 1889, but the fees are not collectable until the final views are held in 1890. Thus there is the sum of \$4,557 for which the labor has been done on 217 preliminary views, but the final views are held in 1890. Thus there is the sum of \$4,557 for which the labor has been done on 217 preliminary views, but the smount will come in after the final reports, | ing members sympathize with the rector, smount will come in after the final reports, on which it will be entered.

The expenses of the Board of Viewers for the year were: To viewers, \$5,712; to transportation, \$109 89; salaries o: clerk, draughtsman and messenger, \$3,400; total, \$2,221 89

Show 2,454,504 cases of champagne were imparted during the last decade, of which over one-fourth was "G. H. Mumm's Extra Dry." There importation during that period was over 200,000 cases more than any other

READY FOR COLUMBUS.

The Randall Club Will See Campbell Inaugurated-A Train of Poliman Cara Hired.

The trip of the Bandall Club to Columbus in January promises to be one of the big events of that lively and progressive organi-sation. Already the number of members who have signified their intention of going number upward of 200, and many to hear from. The club has arranged for a special train of Pullman sleepers, with dining oar and buffet attached, and which will be their home while gone. None but members of the club, and subject to club discipline, will be permitted to accompany it. One car will be especially reserved for the use of mem-

bers accompanied by ladies.

The train will leave the Union depot on Sunday evening, January 12, arriving at Columbus for breakfast. The Jackson Club, of Columbus, will be in waiting to escort them to their post in the grand procession which will terminate at the Capi-tol grounds, where the inauguration of Governor Campbell will take place. The afternoon will be devoted to visiting all the prominent places, including a visit to the Old Roman, Governor Campbell and an exchange of courtesies with the visiting clubs from Cincinnati and elsewhere. In the evening the inauguration ball will take place, and to which the club has a special invitation. After the ball the train will be in waiting, and the club will arrive in Pittsburg for a late breakfast on Tuesday

morning. The Great Western Band will accompany. and furnish the music for the occasion. The entire expenses for the trip, including sleeping car and meals, will not exceed \$11

per man.
President Frank J. Weixel will accompany, and General P. N. Guthrie act as marshal for the occasion. The committees in charge are leaving no stone unturned to make the trip an enjoyable one, and if the details are all not carefully attended to it will not be their fault. The announcement that the club would attend the inauguration has been heralded in all the papers in Ohio, and from the reception that has been prom-ised and assured, it behooves the boys to have a care for their good health.

lution requesting him to fill the vacancies in

the Appraisers' Board on Free Bridges, and

he said that until Common Council con-

curred there would be no action expected.

The board originally consisted of Messrs.

Jones, James Park, Jr., George R. White

and Joseph Dilworth. They were given certain powers to condemn bridges. They

had discussed the matter years ago, but

judged it inexpedient to buy the bridges, as

they thought the city could not afford to pay

Mr. Jones could not say whether the board would be filled or not, as he seemed

to think the outlook no more favorable now than formerly. If the other branch con-

curs the subject will be considered.

Mr. Jones thought it doubtful whether
the people generally would care to pay for
the bridges. Those who did not use them

to any great extent would not be benefited, and he was inclined to think they would ob-

ject to being taxed to free the structures for

THE HOSPITAL COLLECTION.

by the Managers.

counted up the eash which had been placed

in the 28 hospital boxes which were dis-

tribute I about the city Saturday and Sunday, he found only \$150 39, where he had expected to find \$5,000. It was described as

a miserable failure by a member of the Hospital Saturday and Sunday Association.

In one box only 38 cents was found.

"The people do not recognize the necessity of keeping up the hospitals," said Mr. McVay, "and they will have to be made cognizant of the fact that the number of

charity patients who had to be cared for in the West Penn, Homeopathic and Alle-gheny General fast year was 2,293, and the

total number of days of hospital care for

free patients was 86,842, which would make

the cost of caring for them \$86,842, reckoping at \$1 per day for each patient. Al-though we are greatly disappointed by the result of our scheme we are not discouraged, and will try sgain."
